Half sheet of poster board (provided by Mrs. Lee)

## DIRECTIONS

- Choose a quote from a work of literature (any genre, any time period)
- Your quote must be universal
- Write your quote on the poster board (include the author)
- Decorate your poster
- Do not use pencil – please use markers, sharpies, paint, etc.
- I will not grade this project based on artistic ability, but the quote must be legible. I am looking for large, clear, neat letters. (I will be posting these on the wall.)
- Your decorations do not have to be elaborate; simple is perfectly acceptable.
