

THE SCARLET LETTER

DIGITAL SCRAPBOOK PROJECT 11CP

DIRECTIONS

Photograph objects that **represent** or **evoke** (bring to mind a memory, feeling, or image) elements of the novel. You DO NOT use a high quality camera. Pictures from your phone are great, but make sure they are clear. You should be able to find ideas for pictures around your house or by taking a walk around your neighborhood.

- You cannot use found images from the internet or images that you have taken in the past.
- You must take new pics for this project.
- **NO LETTER A's because that's too easy and too obvious.**
