Pairs will present together and should be prepared to answer questions about their hymn.

- **SLIDE 1: BIO** Biographical information about the life of the writer (if separate lyricist and composer, include what you can)
- **SLIDE 2: STORY:** What are the details behind the actual writing of the hymn or how it came about, including basic translation info, if applicable (if separate lyricist and composer, include that info)
- **SLIDE 3: POWERFUL LANGUAGE:** Explain words or phrases that are archaic, unusual, especially powerful, or otherwise interesting
- **SLIDE 4 TEXT-TO-SELF:** How did you personally connect to the hymn?

LISTENING PORTION

Conclude your presentation by playing a recording of the hymn for the class. Youtube videos with lyrics are preferred, but not required. If the video is really long, at least play a verse or two.
